Program Rules

The following guidelines are in place and used to ensure the safety of students, and employees and to help maintain a fun, positive, creative, and learning environment. Please discuss with your child.

- Follow directions
- No use of foul, profane language, or gestures
- No jumping around in the classroom or jumping on furniture
- No running inside the classroom or hallways
- No yelling or screaming
- Respect each other's space, supplies, and feelings
- Keep hands and feet to yourself (no hitting, kicking, pushing)
- Under no circumstances will students be allowed to enter or re-enter classrooms at CSK to retrieve items, homework, or school books
- Please inform Before/After Care employees of any problems or issues

Guidance/Discipline Policy

We do not use profane language or any kind of corporal punishment (hitting, spanking, kicking, pinching, etc.). Children are expected to respect the program employees, each other, along with the equipment, supplies, materials, and furniture. We believe that guidance and discipline should be age-appropriate to the child's level of understanding, individualized for each child and circumstance and directed toward teaching the child acceptable behavior and self-control.

In the event of negative situations or offenses, the following steps will be taken:

1. Redirection: The child is redirected to another activity and given the opportunity to try at another time.
2. The child is spoken to and allowed to explain the situation
3. Reminding the child of behavior expectations by using clear, positive statements
4. Brief time away from the group or activity, when necessary, to calm or diffuse a situation, attitude, or behavior. Once solved, the child is encouraged to re-join the group or activity and try again.

After continuous offenses, or if a serious situation occurs, we will document the incident/incidents and a parent meeting will be scheduled to resolve the issue/issues. If the issues persist, we will document all incidents and the parent may receive notice of termination and the child will not be allowed back into the program.

We exercise a great deal of patience and use guidance and discipline to maintain safety always and as a teaching tool to help children learn from mistakes and handle their emotions. We have an "open door" policy. Please contact us with questions or concerns.
